THE ITALIAN STYLE DOOR

Dierre

YOUR HOME, YOUR LIFE

Gli accessori Dierre, dal design ispirato alla funzionalità,
completano e valorizzano la nostra vasta collezione
di pannelli di rivestimento per porte blindate,
per adattarsi al meglio ai diversi contesti.
Alla maniglieria New Creta e Dierre Design,
che nella loro semplice eleganza
rappresentano il tratto distintivo Dierre,
si aggiungono Amsterdam e Dallas, moderne ed essenziali.
Perfette per gli abbinamenti contemporanei
come per quelli classici, ideali anche da affiancare
ai dispositivi tecnologici di apertura,
sono disponibili in molteplici finiture,
dal classico ottone fino al nuovissimo grigio antracite.
Non manca una selezione di maniglioni verticali
oltre ai più tradizionali pomoli e ai battiporta.

*Dierre accessories, with its design inspired by functionality,
complete and enhance our large collection
of panels for armoured doors, to best adapt to different contexts.
To the New Creta and Dierre Design handles,
which represent Dierre's distinctive trait in their simple elegance,
modern and essential Amsterdam and Dallas design have been added.
Perfect for contemporary combinations as well as the classic ones,
also to be combined with technological opening devices,
they are available in various finishes,
from the classic brass to the new anthracite gray.
There is also a selection of vertical fixed handles
in addition to the more traditional knobs and door knockers.*

Esposizione agli agenti atmosferici
Exposure to weather conditions:

ESPOSIZIONE COMPLETA / FULL EXPOSURE

Questi pannelli possono essere installati in luoghi sottoposti all'intensa azione di sole, salinità, pioggia e gelo.
These panels can be installed in areas that are exposed to intense sunlight, salinity, rain and frost.

ESPOSIZIONE COMPLETA CON MANUTENZIONE ANNUALE / FULL EXPOSURE WITH YEARLY MAINTENANCE

Questi pannelli possono essere installati in luoghi sottoposti alla moderata azione di sole, salinità, pioggia e gelo: è necessaria una manutenzione annuale
These panels can be installed in areas that are exposed to moderate sunlight, salinity, rain and frost: annual maintenance is required.

ESPOSIZIONE LIMITATA / LIMITED EXPOSURE

È consigliata l'installazione solo se in posizione riparata da sole e pioggia diretti (porticati, tettoie e coperture profonde almeno un metro)
Only recommended when away from direct sunlight and rain (under porches, covered structures or covers that are at least one meter deep)

ESPOSIZIONE SCONSIGLIATA / NO EXPOSURE

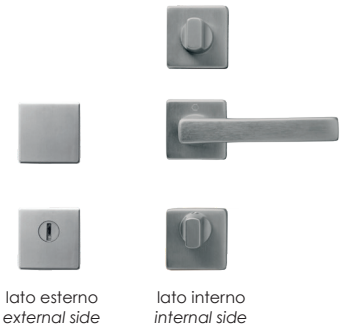

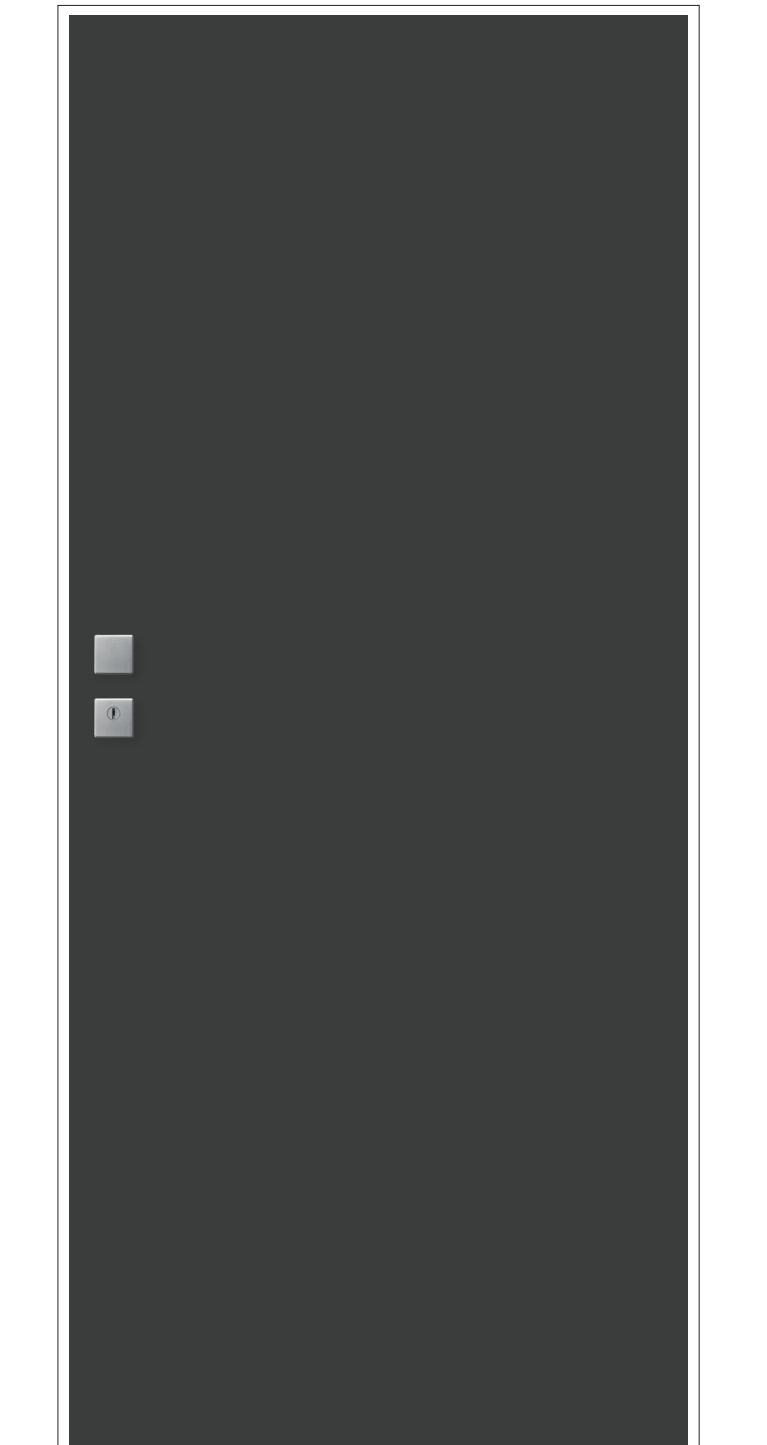

È sconsigliata l'esposizione a qualsiasi agente atmosferico: l'applicazione ideale è in atrii e pianerottoli di condomini.
Exposure to any atmospheric agent is not recommended: ideal for condominium lobbies and landings.

Per le installazioni all'aperto Dierre consiglia di proteggere il battente dagli agenti atmosferici.
For outdoor installations Dierre suggests to protect the door leaf from atmospheric agents.

Tutti i batacchi, pomoli e maniglioni sono sconsigliati per i rivestimenti con extra super termicoline.
All door knockers, knobs and handles are not recommended if combined with extra super thermicoline panels.
