SAN MARINO

- 
- **Qualità dei materiali:** L'attenta selezione della materia prima ci permette di proporre a tutti i nostri clienti il meglio di ciò che offre madre natura, nel totale rispetto di quest'ultima. Tutti i nostri prodotti sono il risultato dell'unione tra l'artigianalità e i più moderni processi industriali.
  - **Flessibilità:** La nostra flessibilità ci permette di soddisfare tutte le vostre richieste specialmente quelle su misura. Ogni vostro progetto viene elaborato e seguito dai nostri esperti tecnici capaci di stimolare la vostra idea di casa
  - **Amore per il dettaglio:** La cura delle finiture e il desiderio di rispondere alle nuove proposte di design sono il fondamento del nostro marchio di garanzia

**MINIMAL**

# MINIMAL

---

La collezione Minimal è nata per combinare perfettamente modernità, linee essenziali e il fascino del vero legno. I giochi di tranciato, le incisioni e i contrasti di venature realizzati manualmente da esperti intarsiatori rendono ogni porta unica e capace di soddisfare ogni vostro progetto.

## CARATTERISTICHE TECNICHE

---

La collezione Minimal compone la nostra più ampia gamma di prodotti lineari e moderni. L'anta è tamburata e viene realizzata con MDF da 4 mm e massello perimetrale in essenza, per garantire la massima stabilità nel tempo.

L'intera gamma Minimal è proposta in tutte le colorazioni RAL e colori a campione, con finitura naturale o lucida-brillante.

Su tutte le porte di questa collezione sono disponibili vari sensi di apertura.

# FUSION

# FUSION

---

La profonda conoscenza dei materiali ci ha permesso di offrirvi un prodotto unico.

Il design nato da una perfetta fusione tra classico e moderno e le finiture di altissimo livello trasmettono una piacevole sensazione di ospitalità. Qualità e convenienza, per un porta di grande prestigio.

## CARATTERISTICHE TECNICHE

---

La struttura in legno listellare massellato permette la massima personalizzazione della porta. Optando tra tre tipologie di profili (squadrato, raggiato o barocco), il cliente ha la possibilità di ottenere un risultato dallo stile più moderno o più classico, a seconda delle esigenze.

L'intera collezione Fusion è proposta in tutte le colorazioni RAL e laccati a campione.

Su tutte le porte di questa collezione sono disponibili vari sensi di apertura e un'elevata possibilità di personalizzazione.

# WOOD

---

La vera svolta della classica porta in legno massello. COFAS la interpreta in un'ottica originale e astuta, per una collezione forte e dinamica, capace di trasmettere il fascino del legno e tutto il suo calore, sia in tinte chiare che scure. Una porta classica studiata anche per l'ambiente più moderno.

## CARATTERISTICHE TECNICHE

---

Le porte della serie Wood vengono realizzate in vero legno massello. La realizzazione in legno lamellare garantisce la massima stabilità del prodotto.

L'intera collezione Wood è proposta in varie tipologie di effetti legno, sui quali è disponibile un'ampia possibilità di personalizzazione.

Su tutte le porte di questa collezione sono disponibili vari sensi di apertura.

A close-up, black and white photograph of a mechanical component, possibly a metal part of a machine. The component has a curved, cylindrical shape on the left and a flat, rectangular section on the right. The lighting is dramatic, highlighting the textures and edges of the metal. A solid blue horizontal banner is positioned at the bottom of the image, containing the word 'VERSIONI' in white, bold, uppercase letters.
